With citrus uses, **Deliberative Process / Ex. 5**

Deliberative Process / Ex. 5

I will wait for Steve to double check the PWC runs.
Thanks much.

Jim

Hi Debra,

Sorry I had to miss yesterday's meeting. Mike asked me to send you the DWLOC for aldicarb. From the latest DEEM memo of late 2017, the DWLOC was 0.87 ppb. The uses included imported citrus, but no

domestic uses of citrus. Adding domestic uses would result in lower DWLOCs. Please let me know if more information is needed. Thanks,

Will
